

ELGI[®]
Always Better.

ELECTRIC SERIES PORTABLE AIR COMPRESSOR

Finest in it's class for
versatile applications

Eco Friendly

Reliable Prime Mover

Energy Efficient Screw Profile

Compact Built

Low Maintenance Cost

Low Noise

ECO-FRIENDLY

Electric Powered Compressors Best Suited for High Demands and Long Productivity

ELGi's eco friendly electric compressors sets a new standard in portable segment. With its advanced technology and compact foot print, ELGi's Electric Series is emission less and an environment friendly product.

The long durability electric motor series and energy efficient screw profile are built for high performance and greater air flow to drive the application.

SAND BLASTING

BLUE METAL QUARRY

GRANITE QUARRY

MARBLE QUARRY

LET'S DRILL WITH ELECTRIC

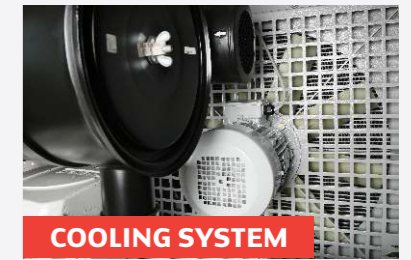

ENERGY EFFICIENT

Globally patented eta-V screw profile airtend to ensure maximum energy efficiency and significant savings in energy costs

LONG DURABILITY

Reliable control with smaller footprint design and service-friendly motors assure low operating and maintenance costs

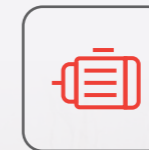

COOLING SYSTEM

Efficient oil cooling system with less static restriction and higher transfer rate, offers quick and easy oil circulation

Drill More with Less Power

Highly Reliable and Durable Electric Motor

Low Operating Cost with Less Power Consumption

Low Maintenance Cost

Say no to Emission!! Reduction in Carbon Content

PRODUCT FEATURES
